DID YOU KNOW?

Guy Fawkes smuggled in 36 barrels of gunpowder to the rented house next to the House of Parliament. According to physicists, the 2,500kg of gun powder would've destroyed an area of 500m from the centre of the explosion.

According to the World Health Organization, about 350 million people in the world have diabetes. The organization expects this number to double in the next two decades.

St. Andrew is the Patron saint of : Amalfi (Italy), Barbados, Esgueira (Portugal), Luqa (Malta), Patras (Greece), Romania, Russia, Scotland and Ukraine.

IT'S BEEN SAID:

The day which we fear as our last is but the birthday of eternity. – Lucius Annaeus Seneca, Roman philosopher.

They fought together as brothers in arms; they died together and now they sleep side by side. To them we have a solemn obligation — the obligation to insure that their sacrifice will help make this a better and safer world in which to live. - Chester W. Nimitz, Fleet Admiral WW2

I was determined to share my positive approach and not let diabetes stand in the way of enjoying my life - Paula Deen, celebrity chef

You miss 100% of the shots that you don't take - Wayne Gretzky, Former Canadian NHL Player

NOVEMBER POEM:

"November comes
And November goes,
With the last red berries
And the first white snows.

With night coming early,
And dawn coming late,
And ice in the bucket
And frost by the gate.

The fires burn
And the kettles sing,
And earth sinks to rest
Until next spring."
- Elizabeth Coatsworth
