KINMOUNT UNITED CHURCH ANNUAL GENERAL MEETING
Sunday, January 28th, 2018 following the service

KUC 2017 ANNUAL GENERAL MEETING:

Our AGM will take place following the church service on Sunday, January 28th. Everyone is encouraged to be a part of your church's life. An Annual General Meeting is a time to reflect upon the year past and plan for the upcoming year. For those that prepare a report(s) for this meeting, please email them to Bill Lee on or before January 21st. Like last year, our AGM reports will be displayed on our screen via the computer. This reduces the amount of paper produced and saves a few trees! Our monthly luncheon will follow our AGM, an added bonus for taking part in this important aspect of our church.

DID YOU KNOW?

An important symbol of New Year's Day is the fireworks that are set off to mark the beginning of the New Year at midnight as December 31 becomes January. John A Macdonald's son, Hugh John, was also a lawyer and a politician who went on to become premier of Manitoba in 1899. Epiphany is one of the oldest Christian feasts. The liturgical color for the Epiphany season is white. Robbie Burns died at the age of 37 in 1796.

JANUARY IS:

Alzheimer's Awareness Month, Crime Stopper's Month, March of Dimes Month
January's birth stone: Garnet January's flower: Snowdrop, Carnation

IT'S BEEN SAID:

It's a time to focus on the guiding star and the three men who out of curiosity followed the star to Jesus, - Martin Modeús of the Church of Sweden

If I had influence over the minds of the people of Canada, any power over their intellect, I would leave them this legacy: Whatever you do, adhere to the Union. We are a great country, and shall become one of the greatest in the universe if we preserve it; we shall sink into insignificance and adversity if we suffer it to be broken. - Sir John A. Macdonald

Macdonald

Life's most persistent and urgent question is: 'What are you doing for others?' - Dr. Martin Luther King Jr.

I swore never to be silent whenever and wherever human beings endure suffering and humiliation. We must take sides. Neutrality helps the oppressor, never the victim.

Silence encourages the tormentor, never the torment" — Elie Wiesel, Nobel Laureate and Holocaust survivor

QUOTES:

"Without the quest, there can be no epiphany." Constantine E. Scaros

"JANUARY,

The first month of the year,

A perfect time to start all over again,

Changing energies and deserting old moods,

New beginnings, new attitudes"

— Charmaine J Forde
