Women's History Month

**IT'S BEEN SAID:**

In the entire circle of a year, there are no days as delightful as those of a fine October.  
Alexander Smith

October was always the least dependable of months... full of ghosts and shadows.  
Jay Fielding

The trees are in their autumn beauty. The woodland paths are dry. Under the twilight,  
the water mirrors a still sky. William Butler Yates

October, tuck tiny candy bars in my pockets and carve my smile into a thousand  
pumpkins.... Merry October!  
*Rainbow Rowell*

## **DID YOU KNOW?**

Statistics show that, on average, fire kills eight people each week in Canada, with residential fires accounting for 73% of these fatalities.

In India, members of the Jain religion follow a form of vegetarianism that not only prohibits eating animal products, but also restricts consumption of root vegetables like onions, potatoes, and garlic.

On October 5, along with over 100 countries around the world, the Canadian Teachers' Federation and its Member organizations across the country celebrate World Teachers' Day through a public awareness campaign that highlights the contributions of the teaching profession.

821 million people in the world still suffer from hunger even though the world produces enough food to feed everyone. 60% of these are women.

One third of all food produced is wasted. The global costs of food waste are approximately USD 2.6 trillion per year.
