**DID YOU KNOW?**

Between 2017 and 2030, the number of persons aged 60 years or over is projected to grow by 46% (from 962 million to 1.4 billion) globally outnumbering youth and children under the age of 10.

World Habitat Day is designed to reflect upon the state of our towns and cities, and upon the basic right of all to have adequate shelter.

The 2019 theme for World Teachers' Day is: "Young Teachers: The Future of the Profession".

The establishment of the Universal Postal Union happened in 1874 in Bern, Switzerland.

Over half of the world's population now lives in cities and this number is expected to double by 2050.

91% of plastic in the world is NOT recycled.

**IT'S BEEN SAID:**

"Information and communication technologies have the potential to provide new solutions to development challenges, particularly in the context of globalization, and can foster economic growth, competitiveness, access to information and knowledge, poverty eradication, and social inclusion." UN General Assembly Resolution (A/RES/65/141)

"Life expectancy would grow by leap and bounds if green vegetables smelled as good as bacon." (Unknown)

"A bird does not sing because it has an answer. It sings because it has a song."

Chinese Proverb

"A warm smile is the universal language of kindness." William Arthur Ward

**OCTOBER QUOTES:**

"October is the fallen leaf, but it is also a wider horizon, more clearly seen. It is the distant hills, once more in sight, and the enduring constellations above them once again."- Hal Borland

"October was always the least dependable of months... full of ghosts and shadows."- Joy Fielding

"October is a hallelujah! reverberating in my body year-round."- John Nicholls
