Sunday, May 10th: **NOTE: THERE ARE NO "IN-PERSON" CHURCH SERVICES**

Sunday, May 17th: **AT KUC UNTIL FURTHER NOTICE.**

Sunday, May 24th:

Sunday, May 31st:

COVID-19 PANDEMIC:

It has been six weeks since our last 'in-person' service led by Rev. Dr. Carol. Six weeks later, the recommendations remain the same. Stay at home. Practise physical distancing. Stay safe. Stay healthy. Stay in touch. Let us keep all our frontline workers in our thoughts and prayers. When church services are allowed to resume again, a notice will be sent out.

MAY IS:

Lyme Disease Awareness Month

Multiple Sclerosis Awareness Month

IT'S BEEN SAID:

All labor that uplifts humanity has dignity and importance and should be undertaken with painstaking excellence. – Martin Luther King Jr.

A mother's love for her child is like nothing else in the world - Agatha Christie

Jesus' ascension into heaven does not mean his absence, but that he is alive among us in a new way, close to each one of us. - Pope Francis via Twitter on 4/17/2013

We should preserve every scrap of biodiversity as priceless while we learn to use it and come to understand what it means to humanity. – E. O. Wilson, American biologist, researcher, theorist and author.

DID YOU KNOW?

May Day marks the halfway point between the first day of spring and the summer solstice.

Vesak Day, or the day of the Full Moon, is one of the most important dates on the Buddhist calendar.

The date celebrates the birth of Buddha, and coincidentally his death, exactly eighty years later

The first Chocolate Chip recipe appeared on the Wakefield's Tried and True cookbook in 1938.

The International Day of Light celebrates and appreciates Light. It also highlights the importance that Light has to science, education, culture, and art.

The greatest contribution of bees and other pollinators is the pollination of nearly three quarters of the plants that produce 90% of the world's food.

Red is the color of Pentecost
