### DID YOU KNOW?

The theme for World Migratory Bird Day in 2021 is *Sing, Fly, Soar — Like a Bird!*

According to the Canadian Mental Health Association, every year about 1 in 5 people in Canada experience a mental health problem or illness.

Chocolate chips were introduced by Nestle in the early 1940s. Today, they produce about 250 million chocolate chips every day.

As of 2021, only about 6% of all the uniformed military, police, and justice and corrections personnel serving in field missions were women.

According to the UN, about 35% of invertebrate pollinators (bees and butterflies) face global extinction due to human impact

According to facts.net, it takes over 8 minutes for light from the sun to reach earth.

## IT'S BEEN SAID:

One cannot think well, love well, sleep well, if one has not dined well - Virginia Woolf

A towel, it says, is about the most massively useful thing an interstellar hitchhiker can have. Partly it has great practical value. You can wrap it around you for warmth as you bound across the cold moons of Jaglan Beta; you can lie on it on the brilliant marble-sanded beaches of Santraginus V, inhaling the heady sea vapours; you can sleep under it beneath the stars which shine so redly on the desert world of Kakrafoon; use it to sail a miniraft down the slow heavy River Moth; wet it for use in hand-to-hand-combat... - Hitchhiker's Guide to the Galaxy

For millions in conflict-affected situations around the world, peacekeeping is a necessity and a hope. Let us work together to make peacekeeping more effective in protecting people and advancing peace - UN Secretary-General António Guterres.
