DID YOU KNOW?

The theme for Mental Health Week in 2022 is *Back to Basics* According to the Canadian Nurses Association, in 2019:

- 1) 58.5% of nurses worked in a hospital
- 2) 15.6% of nurses worked in community health
- 3) 15.5% of nurses worked in a nursing home or long-term care facility
- 4) 10.5% of nurses worked in other settings

The theme for World Migratory Bird Day in 2022 is Dim the Lights for Birds at Night.

According to facts.net, it takes over 8 minutes for light from the sun to reach earth.

According to the UN, about 35% of invertebrate pollinators (bees and butterflies) face global extinction due to human impact.

IT'S BEEN SAID:

All labor that uplifts humanity has dignity and importance and should be undertaken with painstaking excellence. – Martin Luther King Jr

We should preserve every scrap of biodiversity as priceless while we learn to use it and come to understand what it means to humanity - E. O. Wilson, American biologist, researcher, theorist and author.

She is now no more? Nay, I boldly say she lives — lives in the hearts of her subjects; lives in the pages of history. And as the ages revolve, as her pure profile stands more marked against the horizon of time, the verdict of posterity will ratify the judgment of those who were her subjects. She ennobled mankind; she exalted royalty; the world is better for her life. Sir, the Queen is no more; let us with one heart say, Long live the King! - Sir Wilfred Laurier, Former Prime Minister of Canada

Jesus' ascension into heaven does not mean his absence, but that he is alive among us in a new way, close to each one of us - Pope Francis via Twitter April, 17th, 2013
