DID YOU KNOW?

Red Dress Day is dedicated to honoring missing and murdered Indigenous women in Canada. Indigenous people believe that spirits can only see the colour red.

According to Statistics Canada, in 2022, about 56% of Indigenous women in Canada experienced physical assault.

In Canada , over 330,000 students participated in Take Me Outside Day in 2022.

According to Great Lakes Echo, during the fall migration season, over 4 billion birds in North America migrate towards warmer climates.

Bees play an important role in nature as pollinators. Alongside other insects and animals like butterflies and bats, bees help pollinate about 90% of the world's wild flowering plant species. They also help pollinate 75% of the world's food crops

IT'S BEEN SAID:

One cannot think well, love well, sleep well, if one has not dined well - Virginia Woolf
Smoking is a classy way to commit suicide - Kurt Vonnegut, American author
For millions in conflict-affected situations around the world, peacekeeping is a necessity and a hope. Let us work together to make peacekeeping more effective in protecting people and advancing peace - UN Secretary-General António Guterres
